

Integrating with Mapit

cta

community transport
association

CTA works with

funders, decisionmakers and stakeholders

to ensure they understand and recognise the social, economic and environmental value of Community Transport

Where do you live?

Complexity of UK geographical data

<https://mapit.mysociety.org/types.html>

Videos

Using MapIt <https://vimeo.com/1200143887/6478596785>

Adding Post Code: <https://vimeo.com/1200144025/e63cdf4940>

Searching for data: <https://vimeo.com/1200145016/f326b3583d>

Extension

<https://civicrm.org/extensions/mapit-uk>

But ...

- MapIt is a subscription service
- Charities are eligible for discounted rates and are able to access up to 10,000 API calls per month for free
- Not been developed to manage an authentication method

Limit contacts by group

</civicrm/admin/setting/cimapit?reset=1>

Mapit Settings

Process mapit for Group(s)

Address Type

Thanks!
