

*giftaid it*

Crucially, the Gift Aid extension only works when a valid declaration exists.

### Problem

Some donors have no declaration.

Some donors previously opted out but may now be eligible.

So, potentially claimable Gift Aid can remain unclaimed.

### Solution

Identify donors + Bulk Mailing + Declaration Form

= Updated Records + Gift Aid Claims

## Extension

- ✓ Packaged searches
- ✓ Declaration form template
- ✓ Example workflows
- ✓ Blog post and documentation
